

A Website and Online Store for G&M Liquor and Smoke Shop

WHO'S INVOLVED

DOING THE WORK

Blackwell Enterprises

armaan.priyadarshan.29@dartmouth.edu

THE CUSTOMER

G&M Liquor and Smoke Shop

Attn: Rakesh Patel

WHAT'S INCLUDED

1. **The website.** Built for G&M, with pages for products, hours, location, and contact. It matches the shop's look and works well on a phone.
2. **Online ordering.** Customers browse and pay by card, with an age check at checkout. Orders use whatever the shop's license allows, like in-store pickup or local delivery.
3. **Showing up on Google (SEO).** The site and the shop's Google listing set up so G&M appears in nearby searches and on Maps.
4. **Showing up in AI assistants (GEO).** The shop's details set up so assistants like ChatGPT, Gemini, and Perplexity recommend it nearby.

AN AI ASSISTANT PILOT

EXPLORATORY · NO ADDITIONAL COST

Separate from the website, Blackwell is exploring a way to run the store's day-to-day work through an AI assistant the owner reaches by text message. Instead of logging into a dashboard, the owner would text the assistant to add a product, change a price, update stock, or check on an order, and the assistant makes the change on the live site. Blackwell would build this with G&M as a design partner while building the website, at no additional cost. Any full version would be scoped and priced on its own.

TEAM

Armaan Priyadarshan (Dartmouth), Samarjit Deshmukh (Dartmouth), Ethan Zhou (UC Berkeley), and Shamit D'Souza (Stanford).

TIMELINE

Blackwell will complete the work within two weeks, starting within three business days of signing. G&M approves the design near the end of the first week, and the site goes live by the end of the second.

PRICE

\$1,000

The total fee for the work above. G&M pays \$500 on signing and \$500 when the site goes live, and the fee includes two rounds of design changes. The domain, hosting, payment processing, and advertising are billed separately at cost.

OWNERSHIP, PRIVACY, AND CANCELLING

Upon full payment, G&M owns the finished website, its content, and login credentials. Blackwell will keep G&M's business information confidential and will not disclose it without written consent. Either party may end this engagement on seven days written notice. The first \$500 covers design and setup and is not refundable once work begins; the second is due only at launch.
